Crucify my soul by your hands  
I don't believe it, I have my destiny in your faulty body  
Tell me why?  
In this way nobody is feeling you  
Tell my why?  
Come on now  
Take my body, nobody's feeling you

You think that this thing is a lie

I was watching in my dying pain  
I have been chosen to die  
I'll return to hell

I'm breaking blessed stigmas  
Like a devil signs  
Your prayers are melodies  
For the devil

Crap your lost, is the only thing that I am thingking

Merciless vain reign

I lost goodness for you  
My sin is to know oneself  
And see the rotting inside of me

You destroy my mind

In your name of god  
I can see you crap  
In your name of god  
Fucking servant

Condemn me in your game  
That you'll believe  
This is a mourning from which you'll never be again

You'll scratch your legs  
You'll swallow my sperm  
What's your vanity?  
This is your reality

Shout, I know you'll lose  
I know you'll bleed
