Girl, it's been a long, long time comin'  
But I, I know that it's been worth the wait  
It feels like springtime in winter  
It feels like Christmas in June  
It feels like heaven has opened up it's gates for me and  
you

And every time I close my eyes  
I thank the lord that I've got you  
And you've got me too  
And every time I think of it  
I pinch myself 'cause  
I don't believe it's true  
That someone like you  
Loves me too

Girl, I think that you're truly somethin'  
And you're, you're every bit of a dream come true  
With you baby, it never rains and it's no wonder  
The sun always shines when I'm near you  
It's just a blessing that I have found somebody like you

[HOOK]

To think of all the nights  
I've cried myself to sleep  
You really oughtta know  
How much you mean to me  
It's only right that you be in my life right here with me  
Oh baby, baby
