Mami Mami Follow me
Mami Mami Follow me

Mami Mami Mami
Follow me
Baby can't you see
You should dance with me

Yeah Mami
I know you want me
So come freak with me

Verse 1
I've been checking your body out
You're the baddest chick around
The queen deserves a crown
That girl's a wild cat
Watch, I'm gonna tame
She might try to scratch
But I'll make that kitty purr

Prechorus
I got cookies you bring cream
Mix to make the perfect team
Raise the heat create some steam
Bite your lips before you scream

Chorus
Mami Mami Mami
Follow me
Baby can't you see.
You should dance with me
You're so hot and so sexy
Yeah Mami
I know you want me
So come freak with me
(Repeat)

I see the game that you play
You look then you turn away

But I caught you

Cause you ain't like the other girls
I can feel the spark
Imma steal your heart

Mix to make the perfect team
Raise the heat create some steam
Bite your lips before you scream
