This is it, huh?
Today's the day?
I've got something built up in you

When I search the skies it's the
Same thing
When I search those eyes it's the
Same thing

Yeah
You've got it coming to you
Let me help it
To get it over with you

Can I pour you
Another drink lover?
Let me pour you
I want to pull back
The covers for you
Let me pull back

When I have my way it's the
Same thing
When I'm having my way it's the
Same thing

Yeah
You've got it coming to you
Let me meet you in the study
At a quarter to two
I'm gonna catch my breath
If you let me
Cause I can't help
I can't help my self

Hurry up
Get it in there

Can I pour you
Another drink lover
Let me pour you
Can I pull back

The covers for you
Let me pull back

When I have my way it's the
Same thing
When I'm having my way it's the
Same thing

Hurry up
Get it in me

(Oh, shit)
