Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Shawty can move  
She already proved dat  
Shez a dancing foo  
I already new dat  
She can move it  
And groove it  
Like no other girl  
I've ever seen before  
So therefore  
Every body stand back  
And watch us tear up da floor  
All the brownies in da club  
Getting jealous of me  
Just cuz I got da finest chick  
Dancing wit me  
So just stand back  
And let her do her thing  
And shake her ass  
Like rang-a-tang

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Those jealous browniez  
Lookin at me

Like they wanna  
Cum ova n brawl with me  
But they betta stand back  
Before I get dem  
Beggin for mercy  
Just cuz me n her  
Can move so swiftly  
Those fukin browniez  
Dunt got to be lookin at  
Me with disappointed faces  
And traces of there jealousy  
Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Its getting late  
I think its time to go  
Im askin her u wanna go  
She says lets go  
Well there you go  
Im leavin wit sumthin  
Hot tonight  
And trust me  
Im gon do her Rite tonight  
Her hands still in da air  
Shaken to da base of ma beamer  
I think shez a dreamer  
Well anyways  
Imma be  
Bouncing dat ass  
All night long  
While im pullin down  
That thong

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Now we finally at da crib

N shez cumin in  
Sayin dam u can live  
I head ova to da kitchen  
To grab some champagne  
Shez says skip dat  
N lets o straight to da room  
She heads to da washroom  
Cumz back in 5 minutes  
With a hot pink thong  
She Sayin dunt make any excuses  
We doin it all night long  
All I had to say was  
Off with thong  
And into da bed  
OOOO!

Walk like that  
Talk like that  
Shake your ass girl  
Just like that

Walk like that  
Talk like that  
Shake your ass girl  
Just like that
