Good-night? ah! no; the hour is ill  
Which severs those it should unite;  
Let us remain together still,  
Then it will be good night.

How can I call the lone night good,  
Though thy sweet wishes wing its flight?  
Be it not said, thought, understood -  
Then it will be - good night.

To hearts which near each other move  
From evening close to morning light,  
The night is good; because, my love,  
They never say good-night.
