Sunrise, this is the last thing that I'll ever see  
Out in the courtyard they're ready for me  
But I go to the Lord with no fear  
'Cos I did what I did for Maria

As I rode into town with the sun coming down  
All the windows were barred, there was no-one around  
For they knew that I'd come with my hand on my gun  
And revenge in my heart for Maria  
My dearest departed Maria

Take an eye for an eye  
And a life for a life  
For somebody must die for the death of my wife  
Yes I did what I did for Maria  
I did what I did for Maria

Laughter echoed across from the end of the street  
There was the man I was burning to meet  
And my mind was so calm and so clear  
And I took my revenge for Maria

And he fell to the ground  
Raising dust all around  
But I knew he was dead long before he went down  
It was quick and was clean, made it easy on him  
Which is more than he did for Maria  
When he did what he did to Maria  
Take an eye for an eye  
And a life for a life  
For somebody must die for the death of my wife  
Yes I did what I did for Maria  
I did what I did for Maria

Sunrise, this is the last thing that I'll ever see  
Out in the courtyard they're ready for me  
But I go to the Lord with no fear  
'Cos I did what I did for Maria

Maria, Maria  
I did what I did for Maria  
Maria, Maria

I did what I did for Maria

Take an eye for an eye  
And a life for a life  
For somebody must die for the death of my wife  
Yes I did what I did for Maria  
I did what I did for Maria

Maria, Maria  
I did what I did for Maria  
Maria, Maria  
I did what I did for Maria
