(Sounds of a motorcycle)

Oh the black-eyed boys
They motorcycled into town
The people cried
"It's the black-eyed gang
Oh and what a super band"

Oh the black-eyed boys
They laid a rockin' rhythm down
You feel a town start to come alive
Everytime the black-eyed boys arrive

Well now the leader of the band
He was the drummer
He beat a rhythm like a big tatoo
And you could see he put
All his heart and soul in

The lead guitar he sat astride
A rubber hummer(?)
And in behind there was a bass boy too
They pretty soon had the whole town
Rock and rollin'

(Everybody)
Oh the black-eyed boys
They had 'em dancin' in the street
They rocked it all from the morning light
On and on into the night

And oh the black-eyed boys
They kept the people on their feet
Crying "oh let it never end
Wanna hear the black-eyed boys again"

(Hep hep hep hep)

Oh the black-eyed boys
Laying down a rockin' noise

(Hep hep hep hep)

Oh the high-ride black-eyed boys
(Motorcycle sounds)

Oh the black-eyed boys
They had 'em dancin' in the street
They rocked it all from the morning light
On and on into the night

And oh the black-eyed boys
They kept the people on their feet
Crying "Oh let it never end
Wanna hear the black-eyed boys again"

Oh the black-eyed boys
Oh the black-eyed boys
Rock and rollin'
Rock and rollin'
Rock and rollin'
Yeah, yeah, yeah

Oh the black-eyed boys
Oh the black-eyed boys
Rock and rollin'
Rock and rollin'
Rock and rollin'
Yeah, yeah, yeah
(Fade)
