Listen to me now.  
When it comes to you, you ain't shit,  
You can suck my great big fucking black dick.  
I don't give a fuck if you don't like me,  
You can get on your knees and suck on this D.  
I resist the urge to repeat myself,  
Because my dick goes in your mouth.  
If you don't like it, it goes south,  
But I know you do so it won't.  
Woah.  
Smoking a J.  
It must've been the way the bong smoke looked in your  
eyes.  
This is why progressive rock songs never work. (x2)  
I got so drunk last night.  
I'm fucked.  
I got so drunk last night.  
I'm fucked.  
Rip it, hit it, toke it, smoke it.  
You better run now, because bitch you broke it.  
I'm gonna cum,  
I'm gonna bust a nut.  
Everything about your smile is so bright.  
Everything about your twat is so tight.  
No wonder why your pussy is mine.  
I want your pussy on my fucking dick,  
I want to fucking ride, I want to feel your inner fluids.  
(x2)
