The Dawning of the dead  
Nothing left  
Sacrifice  
Compulsions, the wonderful erratic putrefaction  
Nothing but a bullet, nothing but a body  
Bring me your presence  
Your heart, Your soul, Your joy  
Now tell me bitch, where is your god  
Where is your god, he's dead  
Nothing but a fake, nothing but a waste of space  
Killing, I'm not the one who sold you to the lethal bullet  
Blood sprays on the walls, another corpse will fall  
The dawning of the dead, destroying all that's left  
They're coming, they're coming, they're coming,  
they're coming back again  
Run like hell
