I have no need for this here hearts are sold and broken  
melt into one.

I have no need for this here hearts are sold and broken  
melt into one.

We should therefore acknowledge all sin

That caused the angels to fall from the sky.

For I believe and I believe and I believe and I believe

And I believe and I believe and I believe and I believe

And I believe there is no love money can buy.

Here at harmony central we have the wings and know  
how to fly.

Here at harmony central we will not allow that love to  
die.

No soul no rhyme no rhythm no love no harmony.

I have no need for this here hearts are sold and broken  
melt into one.

I have no need for this here hearts are sold and broken  
melt into one.

No sir you can't heal me with that handshake.

No not until you have healed yourself.

For I believe and I believe and I believe and I believe

And I believe and I believe and I believe and I believe

And I believe and I believe til the angels ring the bell.

Here at harmony central we can love for hours

And love you still.

Here at harmony central we allow our love

To pay the bills.

No soul no rhyme no rhythm no love no harmony

I believe and I believe and I believe and I believe

And I believe and I believe and I believe and I believe

And I believe.

Here at harmony central we have the wings and know  
how to fly.

Here at harmony central we will not allow that love to  
die.

No soul no rhyme no rhythm no love no harmony.
