Yeah I sat down and wrote me a letter
Somebody said it would make me feel better
When all I really need is a change in the weather
To fill the hole in my heaven.

Yes there's a hole in my heaven
As big as forever.
How will I hold it together
When there's a hole in my heaven.

Somebody, anybody, anybodies, everybody
And who knows that better?
We know it's best to be careful
When there's a hole in your heaven.

Yes there's a hole in my heaven
As big as forever.
How will I hold it together
When there's a hole in my heaven.

Yeah I sat down and wrote about it joked about it
smoked about it

Lord I even talked about it with you
But you had other ideas you
Told me all your baby fears
O darling you and I will never agree.
How high is high to that girl in the sky?
What's the use of a tear without a dream?
If wasn't for people like you
And people like me uh! oh!
You know there wouldn't be people at all.

Now there's a hole in my heaven
As big as forever.
How will I hold it together
When there's a hole in my heaven.

Yes there's a hole in my heaven
As big as forever.
How will I hold it together
When there's a hole in my heaven.
