

An Emotional Fish "Rain"

One day I'll kick it in the head, I'll wear flowers in my hair
I'll forget everything I ever said, I'll walk this world without a care
One day I'll show you how I am, I'll forget to cry or commit a son
I'll free the people of people jam, open the door and walk right in.
One day I'll just sit and watch it twist and turn
I'll ride a bicycle to work I'll forget everything I ever learned
I forget to hit, forget to hurt.
One day I'll raise my voice in church
I forget the words and just... make it up
I forget everything I ever heard, just say hush when it gets too much.

With a little pleasure and a little pain

Comes a little sunshine and a little rain.
With a little teardrop and a little pearly smile
Comes a little chaos and a little peace of mind.

One day I'll kick it in the head, I'll wear flowers in my hair
I'll forget everything I ever said I'll walk this world without a care
One day I'll show you how I am, I'll forget to cry or commit a son
I'll free the people of people jam, open the door and walk right in.

With a little pleasure and a little pain
Comes a little sunshine and a little rain.
With a little teardrop and a little pearly smile
Comes a little chaos and a little peace of mind.
