VERSE

Face down from the many chances
I've tried hard to see it your way
Hope you don't expect me to see this any differently
Maybe you don't want me here
All of this is killing me I fear
I'm hollowed out for a lifetime

CHORUS

I hope you know
It's killing me to hold on, to hold on
(You've changed your ways)
It's time to go
And move on from what feels right
I've come undone from your second guessing

VERSE 2

So face the facts it's oh so clear
You and me don't know what's right or wrong
So what are we doing here?

CHORUS

I hope you know
It's killing me to hold on, to hold on
(You've changed your ways)
It's time to go
And move on from what feels right
I've come undone from your second guessing

BRIDGE

But not this time
We're gonna get this right
All my life I've wanted to
Prove my worth to you
I've finally hit the floor
With just the thought of your name
Don't wanna sing no more
I'm not a part of your game
So bring it back to step one
So bring it back, bring it back

CHORUS

I hope you know
It's killing me to hold on, to hold on
(You've changed your ways)
It's time to go
And move on from what feels right
I've come undone from your second guessing
