I'm gonna rock this place like
outer space
Give it something ya
never had
I'm gonbna paint my nails and
dye my hair
and take me a champane
bubble bath
I'm gonna speak my mind at
anytime that i find that
I got something to say
i'm gonna jump around and
paint this town
Now let me hear you say,
HEY!!

(chorus)

Take me, Take me down
(Take me down)
Don't you want to ride
Now follow, follow me now
(Follow me now)
Don't you want to ride
Ride, ride!!

I'm gonna let it go, i'm gonna
feel that flow
I'm gonna put you in a trance
I'm gonna take control cause
I'm on a roll
And snatch that pebble from
out of your hand
I'm gonna turn it out
scream and
Shout until i get my way I'm gonna turn that key and
set you free
Anytime, anywhere
anyplace, hey!!

(chorus)

take me, take me down
(Take me down)
Don't you want to ride
Now follow, follow me now
(Follow me now)
Don't you want to ride
take me, take me down
(Take me down)
Don't you want to ride
Now show me show me now
(Show me now)
Show me how to ride
Ride, ride, ride!!

It's sunny outside
And I Feel fine
No cares tonight
Ooh its time to ride
now eveybody say hey!!

(Chorus
