Hear my voice  
Softly singing  
The melody of hearts

Feel the vibe  
Feel my emotion  
Love is all around

Can you hear the sound of love  
Swinging in my voice so deeply  
Flying straight  
Into your heart  
On the wings of harmony

Can you hear the sound of love  
Close your eyes and feel the emotion  
I'll be yours forever in a day  
When you hear the sound of love

You're the one

Of my deepest dreams  
Every night and day  
I know it

Hold me close  
Don't ever let me go  
Come and dance with me

Can you hear the sound of love  
Swinging in my voice so deeply  
Flying straight  
Into your heart  
On the wings of harmony

Can you hear the sound of love  
Close your eyes and feel the emotion  
I'll be yours forever in a day  
When you hear the sound of love
