Under my thumb
The girl who once had me down
Under my thumb
The girl who once pushed me around

It's down to me
The difference in the clothes she wears
Down to me, the change has come,
She's under my thumb

Under my thumb
The squirmin' dog who's just had her day
Under my thumb
A girl who has just changed her ways

It's down to me, yes it is
The way she does just what she's told
Down to me, the change has come
She's under my thumb
Ah, ah, say it's alright

It's down to me
The way she talks when she's spoken to
Down to me, the change has come,
She's under my thumb
She's under my thumb
