When I look in the mirror  
I don't like what I see  
Like a fly in an amber  
Like a man I don't want to be

You say I'm bound to your heart  
But it feels like I'm  
Chained to your will  
Hopeless situation  
Smothered hope  
Dies deep inside of me

I feel like I could fly away tonight  
I don't know what I'm after  
I feel like I could fly away tonight  
I still can hear your laughter

You say I'm bound to your heart  
But it feels like I'm  
Chained to your will  
Hopeless situation  
Smothered hope  
Dies deep inside of me

I don't rise to the occasion  
Ain't there no one here to rescue me?

I feel like I could fly away tonight  
I don't know what I'm after  
I feel like I could fly away tonight  
I still can hear your laughter  
I feel like I could fly away tonight  
I don't know what I'm after  
From now on I'll sail this ship alone  
Don't know which way to go
