Fell into a hole my ears were ringing.
Followed every rule and kept repeating.
Could I be a fool?

In the silence, you're the first one that I turn to.
You're the first voice that I turn to.
In the absence of my own.

There's an enemy among us.
There's an enemy among us
And he stole as best he could.
He stole as best he could.
An enemy among us.
There's an enemy among us.
He stole as best he could.
Our hearts like an enemy should.

And when I awoke my friends were sleeping.
I put on my coat to keep from freezing.
Something isn't right.

In the silence, you're the first one that I turn to.
You're the first voice that I turn to.

In the absence of my own.

There's an enemy among us.
There's an enemy among us
And he stole as best he could.
He stole as best he could.
An enemy among us.
There's an enemy among us.
He stole as best he could.
Our hearts like an enemy should.

In the silence, you're the first one that I turn to.
You're the first voice that I turn to.
In the absence of my own.

There's an enemy among us.
There's an enemy among us
And he stole as best he could.

He stole as best he could.
An enemy among us.
There's an enemy among us.
He stole as best he could.
Our hearts like an enemy should.
