I'm gonna make it my way
Just getting stronger each day
I'm from Belarus so I say
I'm Belarussian

I've got the whole life to live
I've got so much I can give
And you can always believe
In my friendship

Now it's time to show

I am Belarussian, feel it in my mind
Belarussian, friendly and so kind
Time's on my side
Nothing is gonna break me now

I am Belarussian, feel it in my heart
Belarussian, now it's a new start
Here is my time
I'm gonna take it anyhow

I feel so good to be free
Honour is what you can see
My love's as deep as the sea
I'm Belarussian

Now it's time to show

I am Belarussian, feel it in my mind
Belarussian, friendly and so kind
Time's on my side
Nothing is gonna break me now

I am Belarussian, feel it in my heart
Belarussian, now it's a new start
Here is my time
I'm gonna take it anyhow
