I'm feeling great. And it's easy to be strong  
When all the hearts keep on beating as one  
The sky is blue and I'm writing a new song  
Saying that I'm free, friendly and young

I have so much and I'm ready to show you  
Let's come together so here is my hand  
We're gonna fly watching lakes in their full view  
Fields are full of gold, and it's all my land

I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun  
Shining from above  
You will always be the one  
I can't get enough  
I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun  
Shining from above  
And I'm gonna every day  
Give you all my love

So here I go and I'm ready to rise up  
Just like a star guiding me through the night  
I've got no fear and I will never give up  
love is all we need and it's our light

I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun  
Shining from above  
You will always be the one  
I can't get enough  
I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun

Shining from above  
And I'm gonna every day  
Give you all my love

Time will not erase  
Courage and my grace  
I'm stronger every day.  
I sayâ€¦!

I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun  
Shining from above  
You will always be the one  
I can't get enough  
I love Belarus  
Got it deep inside  
I love Belarus  
Feel it in my mind  
And I wanna see the sun  
Shining from above  
And I'm gonna every day  
Give you all my love
