The ancient priest open the unholy black magic book,  
He needs to find the diabolical potion to dominate to  
the enemies,  
"invocation of the beat" nuclear storms around the  
altar, now awake needs sacrifices.  
Now you are my war machine, but, fatal mistake, now  
the monster is revealing against his creator,

The priest begins to be tortured... he is nailed on the  
wall, and mutilated, with thorn pieces.  
The beast extracts all the blood, and spill it into the  
infernal book pages", now the evil wrote a new chapter  
of blood, a stupid priest buried on the book of death.
