Lead Me to our Only Place, Dressed for opening time  
Show me Bleeding Where My Love Burns you Breathing  
Fire

The Funeral is Waking Now From the Summer's Kiss  
Damn the Heavens for your Roses Are Growing wilder  
now

Empty all your Pockets Now The Show is opening Soon  
the crowd is Roaring and their Fists Are thrown up in  
the air  
lay down woman don't be scared, the murderer you  
face  
Is tired of living but only kills, the living that time hates

Bloodletting On the Naked Kiss

Credits Speak A Thousands Words But Are Rarely Read  
Your Dress flows black velvet when it's, it's dropping to  
it's death  
your head speaks vulgarities, on your dying breath  
left your tranquility, for those who know you best
