Turn with it darling stomp away your nightmares  
Fire trails are glowing ashing up your dark hair  
Swing out your hatred hell is now well aware

Tied up, lost with your head to the ground  
Anger overturned, you'll never learn until you burn

Erratic motions, request are made to repeat  
Shadowing dancers translate when evil speaks

Tied up, lost with your head to the ground  
Anger overturned, you'll never learn until you burn

Expose all emotions, turning heads looking dead  
Kill the satisfaction and just force feeds them red  
Death by desire  
Death

Tied up lost with your head to the ground  
Anger overturned, you'll never learn until you burn
