Revelation Resurrection
Horrific cries from the shallow drones
Malicious Brain trash free at last
Throw out the rest on the side of the road

Calling all misfits to throw a bitch fit
Beat the wasteland into submission
Unbelievers, misconceivers
Flames blaze as the freaks explode

One up for the dying
And resurrecting
One up for the murder control
One up for the dying
And disconnecting
One up for the death to behold

Crucifying, cracked and breaking
Empty promises full of lead
Sadistic call backs, degrading bone cracks
Duel possessions bring discontent

Calling all misfits to throw a bitch fit
Beat the wasteland into submission
Unbelievers, misconceivers
Flames blaze as the freaks explode

One up for the dying
And resurrecting
One up for the murder control
One up for the dying
And the disconnecting
One up for the death to behold

When the shot rang down from the psychopathic
lechers
And second best is up for the ride
If the thirty ought six springs elevator tricks
And the jezebels have no where to hide
We Die

One up for the dying
And resurrecting
One up for the murder control
One up for the dying
And the disconnecting
One up for the death to behold

When the shot rang down from the psychopathic
lechers
And second best is up for the ride
If the thirty ought six springs elevator tricks
And the jezebels have no where to hide
We Die
