"Shiver"

Anywhere you slither away, lost without a trace to
chase
I would expose you..
With all that's askew
When you bring yourself to an edge, look upon the
gods you've fed,
the shiver that runs you through...
Cause longer, we do.. there's nothing left to do..

Watch the halos burn, out in this earth
Cry for the murder of the shiver that runs through you.

Everywhere you choose your grave, possessions you
crave..
A fix can help you through
When it's all you can do.

Watch the halos burn, out in this earth
Cry for the murder of the shiver that runs through you.
(It runs through you)
(It burns through you)
(It Confesses for you)
(It cries for... It cries for you)
(It runs through you)
(It burns through you)
(It Confesses for you)
(It cries for... It cries for you)
