I hear a baby crying
A sad sound, a loney sound
I want to take her in my arms
And then I dry away all her tears

I see a boy, who's frightened
A young boy, with old eyes
I long to say 'You're welcome here,
You can be happy now that you're warm'

We're all a part of one world
We all can share the same dream
And if you just reach out to me
Then you will find deep down inside
I'm just like you

Loud voices raised in anger
Speak harsh words, such cruel words
Why do they speak so selfishly
When we have got so much we can share?

So let your hearts be open
And reach out with all your love
There are no strangers now
They are our brothers now
And we are one

We're all a part of one world
We all can share the same dream
And if you just reach out to me
Then will find deep down inside
I'm just like you

We're all a part of one world
We all can share the same dream
And if you just reach out to me
Then will find deep down inside
I'm just like you

I'm just like you
