So whistle down the wind
For I have always been right there

Howl at the stars
Whisper when you're sleeping
I'll be there to hold you
I'll be there to stop
The chills and all the weeping
Make it clear and strong
So the whole night long
Every signal that you send
Until the very end
I will not abandon you
My precious friend

So whistle down the wind
Let your voices carry
Drown out all the rain
Light a patch of darkness
Treacherous and scary
Every signal that you send
Until the very end, I'm there

So whistle down the wind
For I have always been right there
