Up down blue brown right from wrong oh boots on shirt  
on time gone oh iknow oh come oh I'm gonna get this  
right for you oh oh baby I know just what to do you  
gonna like my style you gonna show the world what  
lifes about you gonna like my style you gonna write my  
name in need of lifes I'm gonna lose control party all  
night long you gonna like my style you gonna show the  
world what lifes about new all brave bould hot god I  
know ohoh bling not square shot for the girls oh oh oh  
baby I know just what to do you gonna like my style you  
gonna show the world what lifes about you gonna like  
my style you gonna write my name in need of lifes I'm  
gonna lose control party all night long you gonna like  
my style you gonna show the word what lifes about girl  
we got to go go dress you up and go go noting is too  
good for you walking through the door people ask for  
more baby that it was I do ooo you gonna like my style  
you gonna show the world what lifes about you gonna  
like my style you gonna write my namm in need of lifes  
I'm gonna lose control party all night long you gonna  
like my style you gonna show the world what lifes about  
oh oh oh oh oh oh oh
