[Intro: Papoose]

I told you I got 'em... Papoose, Pa-poose

[Chorus: Papoose]

I'm gettin money everyday 'cause I'm like that  
I wear my jewelry anyway 'cause I'm like that  
I drive a Cadillac truck 'cause I'm like that  
I don't give a flyin fuck 'cause I'm like that  
That dude ain't like that, he ain't like that  
They ain't like that, them niggas ain't like that

They ain't like that, them niggas ain't like that  
THEY AIIIIIIIGGHHHHHTTTTTTTTT!

[Verse 1: Papoose]

I told y'all I'm like that  
They said I fell off, tell 'em I'm right back!  
I drove in the industry in the white 'lac  
Back then, only two niggas was nice scrap  
If you wasn't screamin "SQUAD UP!" just like Stack  
You was screamin "THUGA THUGA THUGA!" just like  
Pap  
In your ear like a Q-Tip where Phife at!  
Though you said you was a rider man where's your bike  
at!  
I like a bucket naked bitch with nice tatts  
Earrings with the hoops in 'em just like Shaq  
'Bout to put Knicks in the strip where Spike at!  
Do your homework shots fly when I strike back  
I spit fire like Satan when I rap  
Got the Jesus piece if you wonder where Christ at?  
I hustle like the snowman, your girl your loan fam  
She show the ta ta's I ain't talkin about Hulk man

[Chorus: Papoose (Jadakiss)]

I'm gettin money everyday 'cause I'm like that (Yeah! )

Yeah! Yo! Uh! I'm like that!

Addicted to the same medication as Mike Jack!  
(Old school high top Air's with the Nike strap)  
We don't want your bitch dog come get your wife back  
(Money in the safe keep the dough where the rice at)  
Who advised you! Where you get your advice at!  
(Never get the eat the whole pie you gotta slice that)  
Lil' paper you spit nigga we spit twice that  
(For you it's like a mill but for us it's a light snack)  
Drive by, shoot shit up in the white Acc'  
(Niggas used to steal on you, you wouldn't fight back)  
But bitch actin tough you should be where the dykes at  
(Like Cushi in Casino put your hand where the vice at)  
You eyeballs will pop out, and you won't like that  
( 'Cause you ain't like that! )
