I'm making my game, I'm making my game, I'm
making my game , I'm making my game
Ladies and gentlemen,
Papoose, papoose
I turn some for damage
Hot .. the stage with no hamer

I did it right in front of the camera
Shaves, wave a ..
Damn you don't understand this
Will you too nights they try to ... you?
Boy from the hood but God make life clearest
Sorry yo I'm agree with your ...

....
Put trick away
Damn , you want a letter nigga shine
Fine I'll take another artist at time
I'm might land off like I'm ..
Pop-pop-pop clap I keep it ..
This what I ..you don't give ,I take, I got a..
I don't' care what you are ..
You making me a .. you fucking ..
Step on the stage with .. on my feet
Starting to going in as soon as I hear the beat
..you go to get me ...
You won't need this shit any way, just chair with me in
the streets
