Now who get down on the floor
Got money to blow
You and me got money to go
Hop into... got DJ... back
Check the status who is bad
I came to furnish it down
Don't snooze
You might lose the spot

[Chorus]

Tell me who's the shit like me...
Grab my swag when I walk like me
Even when they track and get
...
You ain't seen one yet like me
And if you did don't do it like me
Man, I swear they can't do it
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me

Who go... like...
Got them boys say who that
They think they could get bad
... moving nice and slow
Ain't got you ready to blow...

[Chorus]

Tell me who's the shit like me...
Grab my swag when I walk like me
Even when they track and get
...
You ain't seen one yet like me
And if you did don't do it like me
Man, I swear they can't do it
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me

You can't do it like me
You can't do it like me

Bet you can't do it like me
I am hot tube... like me
I ain't got to ask... who got...
If your system... turn me up
Watch me tick my body like a tambourine
And the way you spit and stress... Standing by the bar
In the middle of the floor
Everybody know who I are

You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me

You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
You can't do it like me
