Everything I have comes from You
Everything I long for
I lay down before You
Everything I am
I surrender to Your hands
I give myself
Bow my knee again

Chorus

Acknowledge You, My Lord
Acknowledge You, King of all
Acknowledge You, my Saviour and my God
Acknowledge You, My Lord
Acknowledge You, King of all
Acknowledge You, my Saviour and my God
(My Saviour and my God)

Repeat verse and chorus

Acknowledge You, My Lord
Acknowledge You, King of all
Acknowledge You, my Saviour and my God
Acknowledge You, My Lord
Acknowledge You, King of all
Acknowledge You, my Saviour and my God

My Saviour and my God
My Saviour and my God
