Featuring Van Der Toorn

(Cherish the love we had)

As far back as I remember, the game's been played

Boy chase girl and Girl dissed da boy.

But there's only one exception to da rule

and that is loot and a whole big bag of it.

Now, I'm speaking from experience,

and when you're broke you know you get no

skiniens.

And if you lucky like Luciano, now here's my motto,

Lay it one by one and make sure it's legato.

Straight up macin in a rental, now see me smile.

My clothes are all from marshalls and I got my game

tight.

And prayin' that the gold stays on my ring

and if not I'll spray that shit on, again.

It's all good, I learned how to roll with da punches

in order for me to get a little somethin'-

somethin'.

It wasn't da bomb, but, Yo, I ain't

complainin'.

I thank the lord and so I cherish it, oh.

Cherish the love we have.

We should cherish the life we live.

Cherish the love, cherish the love, cherish the love.

Cherish the love we have for as long as we both shall

live.

Cherish the love, cherish the love, cherish the love.

Oh, aha, yeah.

Nucky for this Biggie Bear Body

the game's alright, but this fellow got no kind of

money.

So funny, cause I is broke as a joke,

But still I maintain to hold my own.

Selective, and checkin' my prospective, active,

and you all disreactin', negative,

cause all I speak is the truth, all I need is a roof

and the rest is all good.

I've played the Mac, but so does everybody else.

I'm blessed with my family and my friends.

A chosen few in my life that I cherish

And you other playerhaters better just venish.

I often pray before I lay down by your side.
If you received your calling before I awake
could I make it through the night.
I'm telling you, man.
Cherish the love we have
We should cherish the life we live.
Cherish the love, cherish the love, cherish the love.
Cherish the love we have for as long as we both shall
live.
Cherish the love, cherish the love, cherish the love.
Cherish the love we have.
We should cherish the life we live.
Cherish the love, cherish the love, cherish the love.
Cherish the love we have for as long as we both shall
live.
Cherish the love, cherish the love, cherish the love.
Oh, oh, oh, oh, yeah.
Cherish the love.
Baby, I surely do love you!
Why don't we cherish the love?
Cherish the love.
