### VERSE 1

No circumstance of mine  
No darkness no divide  
Can keep me from your promises  
No pow' r on earth could fight  
The presence of your light  
Chasing all my doubt away

### CHORUS

There is nothing to fear  
You are with me  
Nothing to fear  
You are holding me  
Why should I worry  
When Your love surrounds me  
There is nothing to fear  
You are with me

### VERSE 2

Above and below  
You are in control  
You hold me with your promises  
When trouble hides your face  
You're never far away  
You my god are strong to save

### BRIDGE

My hope is you alone, it's you alone it's you  
I trust in you alone, it's you alone it's you

Cause you have never let me go  
Cause you have never let me go  
Cause you will never let me go
