It's not that easy being green
Having to spend each day the color of the leaves
When I think it could be nicer being red, or yellow or
gold
Or something much more colorful like that

It's not easy being green
It seems you blend in with so many other ordinary
things
And people tend to pass you over
'Cause you're not standing out like flashy sparkles in
the water
Or stars in the sky

But green's the color of Spring
And green can be cool and friendly-like
And green can be big like an ocean,
Or more important like a mountain,
Or tall like a tree

When green is all there is to be
It could make you wonder why,
But why wonder why wonder,
I am green and it'll do fine, it's beautiful
And I think it's what I want to be

And green can be big like an ocean,
Or important like a mountain,
Or tall like a tree

When green is all there is to be
It could make you wonder why,
But why wonder why wonder,
I am green and it'll do fine, it's beautiful
And I think it's what I want to be
