Got myself a crying, talking, sleeping, walking, living
doll

Got to do my best to please her, just 'cause she's a
livingdoll

Got a roving eye and that is why she satisfies my soul
Got the one and only walking talking, living doll

Take a look at her hair, it's real
And if you don't believe what I say, just feel
I'm gonna lock her up in a trunk
So no big hunk can steal her away from me

Got myself a crying, talking, sleeping, walking, living
doll

Got to do my best to please her, just 'cause she's a
livingdoll

Got a roving eye and that is why she satisfies my soul
Got the one and only walking talking, living doll

Well, take a look at her hair, it's real
And if you don't believe what I say, just feel
Gonna lock her up in a trunk
So no big hunk can steal her away from me

Got myself a crying, talking, sleeping, walking, living
doll

Got to do my best to please her, just 'cause she's a
livingdoll

Got a roving eye and that is why she satisfies my soul
Got the one and only walking talking, living doll
