After all the lies have come and gone
After all the others can't go on
Well you and I will see it through
Cuz baby I believe in you
Yes I believe in you yeah

I don't believe a thing I see on tv
They'll fill your head with how life's supposed to be
But in your arms I know the truth
Cuz Baby I believe in you
Yes I believe in you oh

You say that love is blind
Well maybe I don't want to see
You say that love can be unkind
Oh well I know you're never mean to me
And I know yes I know
I know what love can do yeah

I face the world alone I don't know what I'd do
Cuz all I ever wanted was to be with you
I pray you have some faith in me too
Cuz baby I believe in you
Yes I believe in you yeah

You say that love is blind
Well maybe I don't want to see
You say that love can be unkind
Oh well I know you're never mean to me
And I know yes I know
I know what love can do yeah yeah

Too many things that you can count on these days
Except for people running with their wicked ways
But in your eyes I see the truth
Cuz baby I believe in you
Yes I believe in you Yeah

Oh yes I believe in you
Ah yes I believe in you now baby
Oh yes I believe in you yeah
