Anytime you need me baby  
Anytime at all  
I'll be there everytime you call

You can count on me  
You can count on me baby  
Cuz I love you so  
There ain't nothing in the world I won't do

If you need a lover  
If you need a friend  
Open up the door and just let me in

You can count on me  
You can count on me baby  
Cuz I love you so  
There ain't nothing in the world I won't do  
Yeah

If you need a lover or if you need a friend  
Open up the door and just let me in

You can count on me  
You can count on me baby  
Cuz I love you so  
There ain't nothing in the world I won't do

You can count on me baby  
You can count on me

You can count on me baby  
You can count on me  
Cuz I love you so  
There ain't nothing in the world I won't do

Cuz I love you so  
There ain't nothing in the world I won't do

Cuz I love you so  
There ain't nothing in the world baby yeah that I won't  
do
