Alec Bridges - Refuge

Last night
I woke from a dream
Suddenly
In a stream
Now I see
So clearly
What it means
To always be changing
Tell me, did God make man?
Or did man make a God?
And where are we
In the scheme
Of all that be?
Blind reaction
From a muddled mind
Do we have a free will
Or are we just toeing the line?
Is the whole world
Our bodies and minds
Intelligent design?
Or are we
Slowly
Evolving
From monkeys
Climbing trees?
Tell me, did God make man?
Or did man make a God?
And where are we
In the scheme
Of all that be?
Blind reaction
From a muddled mind
Do we have a free will
Or are we just toeing the line?
Blind reaction
From a muddled mind
Do we have a free will
Or are we just toeing the line?
Toeing the line

Toe the line
