Alec Bridges - The Mushroom Song

A wise man said
It doesn't matter if
We're caressed or we're whipped
We're all still slaves
And I'm so tired
I just want to go home
I just want to go home
A wise man said
It doesn't matter if
We're bound by blood or love
Or wrapped tight up in chains
We're all still slaves
I'm so tired
Oh won't you take me home
I'm so tired
Oh won't you take me home
A wise man said
It doesn't matter if
We're caressed or we're whipped
We're all still slaves
We're all still slaves
We're all still
