"Almighty"

Baring all I stand here before you
All my hurts exposed
In the depths of my despair I cry out to you
Make me whole

There is nothing I can do to make you love me more
Nothing I can do to make you love me less
I get on my knees and lift my hands to worship and
confess

You are the Lord God Almighty
I fall at your feet
And I fall oceans short of your glory
Yet you stoop down to make me great
Almighty God

Every day I choose again to love you
To keep your word in my heart
Give it all to you now Lord
I will surrender
Take every part

You are the Lord God Almighty
I fall at your feet
And I fall oceans short of your glory
Yet you stoop down to make me great
Almighty God
