"Living Rain"

We Your people come
In desperate need to You we run
Called by Your great name
With humble hearts we seek Your ways

We believe in faith
Your promises will never break
Turn from wicked ways
To live as Christ for all our days

Oh God high up in heaven
Won't You heal our land

Living rain, fall again
Over my life over my land
Living rain wash my heart again

Open wide, heaven skies
Over my street oh Spirit reside
Living rain flood my life again

Come back, back to your first love
Back to your first love
Back to the Cross

Come back, back to your first love
Back to your first love
At the foot of the Cross
