#### Verse1:

She wears a white dress  
She sees the light and it's saying 'come back'  
She's out the door but she hasn't left yet  
And I start believing her when she says that  
The city's gonna save her love  
Don't leave her I know just what she's looking for  
Oh but all she knows is a picture that keeps fading on  
But I can't let her go that's why I'm telling her

#### Chorus:

I wanna love you more  
Than all of the things you wanted  
Than all of the things you're not  
You want to have it all  
But you found it in the city  
But the city doesn't talk, oooh

#### Verse 2:

She wears a gold cross  
She sheds her skin but it never comes off  
She hears the angels out on the streets  
Tonight as she walks right by oh they sing so softly  
They sing "oooh whooah, oooh whooah, oooh whooah"  
Loves right behind you oooh whooah"

#### Chorus:

I wanna love you more  
Than all of the things you wanted

Than all of the things you're not  
You want to have it all  
But you found it in the city  
But the city doesn't talk  
Than all of the things you wanted  
Than all of the things you've got  
But you found it in the city  
But the city doesn't talk

Bridge:

Oohh whooah oohh whooah ohh whooah  
Oh she floats off through a crowded room  
She remembers the rows and rows of houses  
And the street lights going on  
That's why I'm telling her

Chorus:

I wanna love you more  
Than all of the things you wanted  
Than all of the things your not  
And you want to have it all  
But you found it in the city  
But the city doesn't talk  
I wanna love you more  
Than all of the things you wanted  
Than all of the things you've got  
And you want to have it all  
But you found it in the city  
But the city doesn't talk  
oohh whooah oohh whooah oohh whooah  
Loves right behind you
