Your love is water unto my soul
And Your love, fills me and makes me whole
Your love, it soothes and it heals
Your love, eternity sealed Your love

Oh Your love, oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love

Your love is faithful and true to me
And Your love is better than life to me
Said Your love, it bought liberty for all
For eternity, Your love, yeah

Oh Your love, oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love

Oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love

Of Your love... yeah
Yeah... hmmm

Oh Your love, oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love

Oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love

Oh my heart
How it longs, it's longing
For more and more of Your love
I belong Lord to You
I'm longing for more and more of Your love
