All the time I wonder when it all could end
Did I try enough or did I just let go

Alone
Unknown
Alone
I'll never know

Seen time just pass I wonder were it went
Loockin back I hope my time was wisely spent

Alone
Unknown
Alone
I'll never know

I walk beside you in life of life I'm deprived
I'm blind to the world
I want to breathe the air that you breathe
Hear rain answering me, I fear I have lost

Spendig years in dark I wonder how it feels
To feel the rays of sun caress my smile again

Alone
Unknown
Alone
I'll never know

I walk beside you in life of life I'm deprived
I'm blind to the world
I want to breathe the air that you breathe
Hear rain answering me, I fear I have lost X 2

I wont let the words of divine drown me
I want it to grow
A seemingly timeless caress from death hunting my
soul
I'm dying tied in lies

I walk beside you in life of life I'm deprived
I'm blind to the world

I want to breathe the air that you breathe
Hear rain answering me, I fear I have lost x 2
