I tried to believe
That we were meant to be
When you said that you
Would give me the chance to prove your love for me
And baby I still wanted to believe

When you left I cried
You don't know how I died
I took all of the pain
The tears, the hurt and the blame

CHORUS:

And now I don't know what to do
I'm just prayin' that I will be okay
If you only knew how much I really loved you
Then, I'll be alright

Many years had passed by
Still I believe our love is here to bloom
To prove that our love is meant to be
But, how can it be?
When time is faster than the blink of our eyes
Oh baby yeah
Oh whoah

CHORUS:

And now I don't know what to do
I'm just prayin' that I will be okay
If you only knew how much I really loved you
Then, I'll be alright
