I tried to call you on the telephone,
You've never answered my calls
I know you've always known.
I guess the rumors are true,
About that other girl and you.
So, as you can see,
It's all over with you and me.

(Chorus)
Yeah! Yeah!
i'm gonna stand up and shine,
There's no need to whine.
Oh! No! ---
I'll never call again---
It all started with a telephone.
(Repeat)

I tried to call you on my cell,
And things didn't go that well.

(Chorus)
LET ME TALK! LET ME TALK!
I'M REALLY MAD AT YOU!
(repeat 2x)

I need to yell
'Till my mouth swells
To wash away the blues

Why did you cheat me?
Tell me now!
I need to know why and how!

(Chorus)
I don't like how all this sounds!
Why did you leave me?
(1! 2!)

You ditched me for that chick downtown!

OOOHH! OOOHH! LET ME TALK!

I need to yell
'Til my mouth swells to wash away the blues

Let me talk...
Let me talk...
