[feat. Joachim Witt]

I stare into Space
I'm in your Mind now
I did grieve you somehow
I stare into you
Will you bear more Pain?
I know your Thoughts
Drive me Insane

[Chorus]
I close my Eyes
Alone in my Room
There is no silence in my head
I try to see the Truth
The way I loose

We're on the way
Back in the moment now

"Ich seh' in Deinem Herz
Deine Gedanken.
Ein Blick in Deine Welt.
Ich fÃ¼hl' Deinen Schmerz.
Die Zeit ist verloren.
Der Augenblick
Der unsere TrÃ¤ume erhÃ¼lt.

[Repeat Chorus 1x]
