[Lauryn rapping - First Verse]

It's funny how money change a situation  
Miscommunication leads to complication  
My emancipation don't fit your equation  
I was on the humble--You on every station  
Some wan' play young Lauryn like she dumb  
But remember not a game new under the sun  
Everything you did has already been done  
I know all the tricks from Bricks to Kingston  
My ting done made your kingdom wan' run  
Now understand "L-Boogie's" non-violent  
But if a thing test me, run for mi gun  
Can't take a threat to mi new born son  
L's been this way since creation  
A groupie call, you fall from temptation  
Now you wanna ball over separation  
Tarnish my image in your conversation  
Who you gon' scrimmage, like you the champion?  
You might win some but you just lost one

[Chorus]

You might win some but you just lost one!  
You might win some but you just lost one!!  
You might win some but you just lost one!  
You might win some but you just lost one!!

[Lauryn rapping - Verse Two]

Now, now how come your talk turn cold?  
Gain the whole world for the price of your soul  
Tryin to grab hold of what you can't control  
Now you all floss, what a sight to behold  
Wisdom is better than silver and gold  
I was hopeless, now I'm more hopeful  
Every man wanna act like he's exempt  
Need to get down on his knees and repent  
Can't slick talk on the day of judgment  
Your movement's similar to a serpent  
Tried to play straight, how your whole style bent?  
Consequence is no coincidence  
Hypocrites always wanna play innocent

Always want to take it to the full out extent  
Always want to make it seem like good intent  
Never want to face it when it time for punishment  
I know you don't wanna hear my opinion  
But there come many paths and you must choose one  
And if you don't change then the rain soon come  
See you might win some, but you just lost one

[Chorus]

You might win some but you just lost one!  
You might win some but you just lost one!!  
You might win some but you just lost one!  
You might win some but you just lost one!!

(Lauryn-Singing)

You might win some, but you really lost one  
You just lost one, it's so silly how come?  
When it's all done, did you really gain from  
what you done done? It's so silly how come?  
You just lost one

[Lauryn rapping - Verse Three]

Now don't you understand man universal law?  
What you throw out comes back to you, star  
Never underestimate those who you scar  
Cause karma, karma, karma comes back to you hard!  
You can't hold God's people back that long  
The chain of Shatan wasn't made that strong  
Trying to pretend like your word is your bond  
But until you do right, all you do will go wrong  
Now some might mistake this for just a simple song  
And some don't know what they have 'til it's gone  
Now even when you're gone you can still be reborn  
And, from the night can arrive the sweet dawn  
Now, some might listen and some might shun  
And some may think that they've reached perfection  
If you look closely you'll see what you've become  
Cause you might win some but you just lost one!

[Chorus]

You might win some but you just lost one!  
You might win some but you just lost one!!  
You might win some but you just lost one!  
You might win some but you just lost one!!

(Lauryn Singing)

You might win some, but you really lost one  
You just lost one, it's so silly how come?  
When it's all done, did you really gain from  
what you done done? it's so silly how come?

You might win some, but you really lost one  
You just lost one, it's so silly how come?  
When it's all done, did you really gain from  
what you done done? it's so silly how come?

You just lost one... (Repeat 8x)  
What a bum-bum!...
